

Sierra

**The Special Edition
Sierra Chasseurs**

Sierra Sapphire **Chasseur**

The Special Edition Sierra Sapphire Chasseur is proof that classical saloon elegance and sports styling can be successfully blended. The sleek lines of the Sapphire Chasseur are complemented by coachlines, a choice of metallic colours at no extra cost and the five-spoke alloy wheels enhance the sporting identity.

The bootlid of the Sapphire Chasseur can be operated remotely from inside the car and carries a functional rear spoiler, further strengthening the sports image and adding to the overall aerodynamic effect. The Sapphire Chasseur's saloon configuration enables the rear seat back to be provided with side bolsters for extra comfort. Under the power of the standard 1.8 CVH engine, the Sapphire Chasseur means smooth and satisfying — and sporting — family or business motoring.

Sierra Chasseur

The Special Edition Sierra Chasseur has been created to bring an overtly sporting image to this renowned range, at a highly affordable price. It provides all the fundamental qualities of the Sierra hatchback, with its versatile loadspace configuration, plus sports features which enhance the established style and driving qualities.

The smart exterior, offering a choice of three metallic colours, is distinguished by the five-spoke alloy wheels, the coachlines and body colour door mirror housings. The tailgate spoiler adds a finishing touch at the rear end. Inside, the sports front seats, three-spoke sports steering wheel and standard tachometer help create the undeniable sporting image, strengthened still further by the presence of a special Zolda Velour fabric on the seating. Standard features such as electrically operated front windows, remote release for the tailgate and fuel filler flap, height-adjustable driver's seat and reach and rake-adjustable steering column, all contribute to effortless driving. The 1.8 CVH engine supplies ample power to make the Sierra Chasseur inspirational.

The interior of each Sierra Chasseur derivative has sports styling for maximum driving satisfaction and passenger comfort. The car phone illustrated is from our own range and is available and fitted through any Ford Dealer, at extra cost.

Sierra Chasseur Estate

The Special Edition Sierra Chasseur Estate provides all the practical virtues of a big-payload estate model, plus the attraction of sports styling and comfort qualities which many estate users normally have to forego.

Externally, the Chasseur styling — complete with alloy wheels — places this estate in a class of its own, as a distinctive well equipped load carrier. Load compartment tie-down eyes and the standard tonneau cover are among the visible expressions of its load-carrying qualities. The standard integral roof rails can be adapted to provide increased luggage space by fitting Ford accessory cross-bars, available from your Dealer. Driveability is assured by the provision of supportive and adjustable front sports seats, the reach and rake adjustable steering column, comprehensive instrumentation, and the power of the 1.8 CVH engine. The Chasseur estate can comfortably handle a full complement of passengers and a worthwhile payload in the luggage compartment.

All Ford Car and Commercial vehicles benefit from a Customer Care Package.

This includes twelve months special RAC membership, and a Security Glass Etching programme that provides free hire of a similar Ford vehicle for one week should yours be stolen (subject to status).

In addition Extra Cover extended warranty plans are available at extra cost.

Ford Dealers have complete information on these plans, and will be pleased to provide you with details.

Customer Order Price Protection Plan

As part of its continuing commitment to customer satisfaction, Ford has now introduced a Price Protection Plan. This new Price Protection Plan means that the price you pay is the same as the price on your order, as long as you are prepared to accept delivery within 3 months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the Plan.

Illustrations, descriptions and specifications

Ford policy is one of continuous product improvement. The right is reserved to change specifications, colours and prices of the models and items listed and described in this publication at any time. For the latest details always consult your Ford Dealer. For vehicle dimensions and loadspace capacity see Ford Cars Catalogue.
